

## 7-Benzoyloxy-4-trifluormethylcoumarin

Cat. No. CSUB-0189

Lot. No. (See product label)

### Produktinformation

|                         |                                                               |
|-------------------------|---------------------------------------------------------------|
| <b>Form</b>             | fest                                                          |
| <b>Molekülformel</b>    | C <sub>17</sub> H <sub>11</sub> F <sub>3</sub> O <sub>3</sub> |
| <b>Molekulargewicht</b> | 320.26                                                        |
| <b>Substrate</b>        | Cytochrom P450                                                |

### Lager- und Versandinformation

|                 |       |
|-----------------|-------|
| <b>Lagerung</b> | -20°C |
